Sir,

Subject:-- Jails- Alipuram Jail, Bellary- Closure of- ordered.
M 1-2C+F (L) Ref:-- G.O.No.Ms. 1774 Home dated the 12th June 1946.

.....

I have seen in today's paper regarding introduction of Prohibition in certain districts. If that is so the question of closing of Alipuram Jail does not arise. Previous experience shows that roughly one thousand extra prisoners can be expected from each such district.

2) I therefore request that I may be permitted to keep in abeyance the orders issued in the G.O. referred to above.

Jails - Alipuram Jail, Bellary - Closure of -

From the I.G. of Prisons, letter No. Nil dated 22-6-46.

Please see the letter from the I.G. of Prisons at page 1 c and the minutes of H.P.(Law) and H.P.M. on it. In 1940 the Government considered the question of repairing the Alipuram Central Jail to provide accommodation for C.D.Prisoners who could not be accommodated in Vizagapatam and Trichinopoly and they sanctioned certain staff for an anticipated lock-up of 600 prisoners. Subsequently, additional staff was sanctioned accordin to the requirements of the Jail. In April and May this year, the I.G. reduced a portion of the staff in that Jail, consequen on the fall in the population and reported that he was consider ing the question of further reduction of warder staff. Later, he reported that consequent on the release of the political prisoners confined in the Alipuram Jail, Bellary its strength was reduced to 368, that he proposed to close the jail by distributing the prisoners among the other jails and to open in the premises, one Senior Certified School and one Junior Certified School with accommodation for 400 boys in each. In G.O.No. 1774 Home dated 12-6-46, it was directed that the Alipuram Jail Bellary, be closed and that the prisoners in that jail be transferred to other jails.

2. It is understood from Revenue Department that it has been decided to re-introduce Prohibition in the districts of Salem, North Arcot, Chittoor and Cuddapah with effect from 1st October 1946. Consequently the I.G. expects that ~~roughly one~~ (based on previous experience there will be roughly one) thousand extra prisoners ~~can be expected~~ from each of the above 4 districts and he requests that he may be permitted to keep in abeyance the orders issued in G.O.Ms.1774 Home, dated 12th June 1946. The I.G's proposal may be accepted. As prohibi ... s to be introduced only from 1-10-46, the I.G. may be asked to retain only the minimum staff that is absolutely necessary till that date for orders. A draft order is submitted for approval. Finance Department may see for acceptance.
